

GG SPECIAL SEMINAR

Friday June 8, 2018 HIG 110 12 (Noon)

Bruce Houghton

Macdonald Chair and State Volcanologist, Geology and Geophysics, UHM

Updating our restless volcano: Kilauea, May/June 2018

ABSTRACT: This will be a video rich and informal presentation. Bruce will discuss the ongoing observations while monitoring during the 2018 Eruption Crisis with USGS-HVO colleagues at Kilauea volcano.
