MGT-331

COMMUNITY PLANNING FOR DISASTER RECOVERY

Join us for our Community Planning for Disaster Recovery course. Learn key concepts for disaster recovery planning, including the benefits of pre-disaster planning, whole community approach to planning, key elements of plans, and the plan development process. Increase your knowledge to initiate disaster recovery plans and participate in the long-term recovery planning process in your own community. Enhance your ability to support your community's overall disaster readiness through pre-disaster planning for post-disaster recovery.
